

The American Radio Relay League (ARRL) is the national membership association for Amateur Radio operations in the United States. ARRL services, programs, and publications provide Amateur Radio enthusiasts with ongoing knowledge, training, guidance, and governmental representation. The ARRL is dedicated to promoting collaboration and camaraderie among hams throughout the world.

The ARRL Maxim Society honors individuals whose lifetime contributions to the ARRL exceed \$10,000. The generosity of Maxim Society members builds the ARRL Endowment Fund and supports the work of the ARRL in protecting spectrum, preserving our heritage, inspiring future generations of hams, and more.

For more information on the ARRL and the Maxim Society, visit www.arrl.org.

I grew up in Eau Claire, was licensed in 1955, and got to know many of the "YT" club members through contests, CD parties, etc.

Keep up the good work.

Many thanks for the QSO John. I've had many QSOs with "YT" in the 50s and 60s.

73, Lou
